My understanding is that we are not to post anything on FB or twitter until this blows over. I did not get setup as I was asking if I would have to use my personal account info. I talked to Whit about what Grace was asking so that is taken care of. Jessica is monitoring everything and we are not to do anything with SM...that is at least the last I heard.

Feel better!

Personal Matters/Ex. 6 might try to make it in tomorrow since Rich is going to Durango but not sure. **Personal Matters/Ex. 6**

Personal Matters/Ex. 6

Trying to get through unread email now...450 to go...

This is better than the weekend!

Did you get set up on FB? I don't want Tim to have to do any social media unless he really wants to. He can give you password for Twitter to send the ones HQ has approved out. And then just keep an eye on FB and maybe start posting our press releases and link to website. It's getting better with more and more info.

Grace emailed us about FB but Rich didn't tell me what she wanted...something about security – maybe check in with her?

Thanks!

Hey folks – I have a ticket for the Book of Mormon on Sunday. I doubt I can go (GKM) so wanted to see if anyone has been dying to see it. I believe it's the 2:00 show. Just trying not to waste the ticket! Ask around if you don't think you will!
